CORRECTION

For the article “Abdominal Aortic Aneurysm Sac Shrinkage after Endovascular Aneurysm Repair: Correlation with Chronic Sac Pressure Measurement” published in J Vasc Surg 2006;43;2-7, the incorrect x axis printed. The following is the corrected Figure 3:

Fig 3. Scatterplot demonstrates the relationship between the mean pressure index (MPI) and the change in abdominal aortic aneurysm (AAA) diameter at 6 months.
